N. B. The new and rare varieties of fruits, which are priced at extra prices in the Catalogue, are not included among the foregoing, but they will be supplied at 25 per cent discount.

The low prices annexed to the following species, are only to apply where twelve or more are taken of those priced by the hundred, or where six or more of those priced by the dozen.

Where no size or age is mentioned, the trees and shrubs are of the usual saleable size.

Where the varieties are not particularized, the selection is to be made by us. H denotes those which are priced by the hundred, and D those priced by the dozen.
